24 January 2003

Dear Ash

I just thought that I would drop you a line to thank you for supplying your coating: "Thermilate e-coat". As you know we have a large oven that uses significant quantities of gas and electricity during our manufacturing process and we have achieved significant savings since we applied the coating.

Please pass on my thanks to your staff for their help and assistance in completing this project so efficiently.

Yours sincerely

Tony

A H Douglas
Managing Director

Rotomoulding Experts

We provide: Unlimited design possibilities versatile manufacturing, and low production costs
Leading to: Strong, flexible, consistently high quality products made in short, effective lead times
Registered in England No: 4515062; *VAT No:* GB 797 1442 93
